MAKE AN INVESTMENT THAT PAYS BACK WELL

An investment in commercial real estate is considered as a good investment. But when you make an investment in a commercial space that comes with premium location, populated surroundings, superior design and facilities, the investment just becomes more better. Jains Balaji Big Town is all about that and much more.

Jains Balaji Big Town will feature the very best of construction quality that are good for an eco-environment with flawless design that will make the structure a landmark beauty within the vicinity. It will be the first large scale hub of shopping pleasure in a chic ambience.

Strategically located at the main road of Malkajgiri - Safilguda intersection, Jains Balaji Big Town enjoys a great advantage of local resident travelers and the young gen whose colleges and school are based nearby. Powered by well-planned and modern infrastructure, 100% power back-up, superb catchment benefits and great connectivity, Jains Balaji Big Town will soon be a landmark and rejuvenating destination to sit, eat, shop, relax, enjoy and work as well. The project will provide everything that people need to work productively and yet live life to the full.

Come, turn a new leaf in your business and explore a happy and successful investment.

BIG BENEFITS WITH BIG TOWN

Jains Balaji Big Town will have a generous reception that would create an excellent first impression to visitors and all floors will enjoy excellent natural light and high flexibility for partitioning. Jains Balaji Big Town will also be a perfect combination of shopping and entertainment that matches with the best in the city. Promoted by one of Hyderabad's leading real estate developers and designed by architects who have global success stories, Jains Balaji Big Town promises to be a holistic shopping cum enjoyable working environment.

Comprising a total surface of around 300,000 Square Feet with 2 levels of parking areas, the project is located just a few minute's drive away from bus and metro stations. The development enjoys an excellent exterior facade, green areas and an outdoor landscaping designed for informal meetings, brainstorming and relaxation. This well designed building will have ease of traffic flows in and out to ensure smooth business operations.
